

The Rose Liquor Store

**1771 Love Road
Grand Island, NY 14072

Please Note

Governor Cuomo has strongly advised that only essential services and businesses stay open after 8 pm.

We like to think our business is “essential.” It’s certainly essential to us.

HOWEVER, in the spirit of cooperation, and with concern for the health of our community & staff,

Rose Liquor will close each evening at 8 pm. (6 pm on Sunday.)

We will resume our normal hours when our government leadership deems it OK to do so.

Thank you for understanding. We appreciate your business.

Stay healthy.
